## **New Quil Ceda Creek Casino brings “More to Love” to Western Washington’s entertainment scene at “The Stage”**

*State-of-the-art-technology and regional entertainment offerings in spectacular new venue*

**TULALIP, WA (Jan. 6, 2021)** –With much “More to Love,” guests should prepare to be entertained with stunning visuals and great regional performers at “The Stage,” one of the major attractions at the all new Quil Ceda Creek Casino, when it opens in early 2021.

“The Stage” is a state-of-the-art entertainment venue at the bright new 126,000 square-foot casino, which includes expanded gaming options, innovative dining concepts and a six-story parking structure for guests’ convenience. It is situated on 15 acres of Tulalip Tribal land located directly off I-5 at exit 199 across the street from the current Quil Ceda Creek Casino.

“The Stage” will showcase the Northwest’s most advanced LED technology with four enormous video walls for the ultimate viewing experience. Spanning a total of 896-square-feet with 13 million pixels, it is sure to be a “go-to” destination to watch sports and other events, with the flexibility to display up to ten different views simultaneously.

When sports and events aren’t lighting up the seamless LED walls, the new venue will welcome a variety of entertainers, including current Quil Ceda Creek Casino favorites and new faces, to its spectacular stage. Performers will be spotlighted with full lighting from a truss system arranged to draw patron’s eyes to the stage. For those taking the dance floor once COVID-19 restrictions are lifted, the custom lighting system and state-of-the-art sound system will add to the fun.

Seating up to 189 guests (COVID-19 guidelines permitting), “The Stage” area is served by its own beer and wine bar flanked by two massive 19-foot-wide curved video walls. Patrons can purchase items at the exciting array of food venues in the new “Q”.

“Our guests can expect an amazing new entertainment experience for sports viewing, music and dance,” said Belinda Hegnes, Interim Executive VP of Quil Ceda Creek Casino. “‘The Stage’ will be an attraction on its own to complement a complete gaming and dining experience at the new ‘Q’.”
